Number 8.

Will he make the Basket? But what are we going to do if he doesn't? Are we going to find poor excuses for his failure? Not at all, for even if the score is not ours, we can be sports and play the game to a finish with good spirits.

SO PHOENIX, LETS GO!

Phoenix, Ore.

Dear Friend:--

As the end of a school semester approaches I feel it my duty to give you a little fatherly advice.

You study quite well and your grades are good but yet don't get the idea that you have learned all there is to be known. There is very much yet for you to learn. You should study more and make your grades better. Remember there is an examination coming soon and it will tell how much you know. It

will take a good deal of studying--more than you have done. Just because you are a Senior and nearly through high school you think you know quite a lot and that you don't need to study, but you certainly must study now. You are really only beginning. Your class motto is "To-night we launch--Where shall we anchor?" Yes, you are just launching now. The storms of life are many and you may have to fight them alone and it will be much easier if you know how. You will learn more and more as you go on and the more you learn the more it will help you to know more. But before you set out in the world you should go to college.

But you may say it is expensive to go to college--you could be working--you want to tackle the world. You will find though that you can work your way through college and in the long run you will get more out of it. And as to tackling the world, it's a big job and you will come to that soon enough; you are but a child yet; you still love to play. Play now later you will have to give it up. It is beneficial now and of course later you must have some play but your work will be the most important. Now although I have emphasized play don't let it be the only thing. You must study too. Your play comes in the vacation days and after school hours. and by refreshing mind and body helps you to do better.

When you start a good book you want to finish it, you don't want to leave off in the best part, do you? So with your life. You are gaining an interesting climax. Let it be the completion of a college course and not just a high school. But don't let the graduation from school be the graduation from learning. Let the best books and learned men be your teachers. Study everything carefully. Brain power isn't all either; build up your character. Be honest and fair with everybody--and your self. Are you being honest and fair to

DEATH

All the young people of Phoenix were greatly shocked to hear of the death of Kenneth Knighton at Portland on Dec. 23, 1923. Mr. Knighton was a well known Medford boy and Mrs. Knighton, nee Ruth Short of Phoenix, went to school here part of last year. Mrs. Knighton is now employed at Meier and Frank's in Portland.

yourself by thinking you know all there is to be known? Never. No one knows everything.

Please think this over carefully and I certainly hope it will help you.

Sincerely, I am
Your friend-----

The above letter was written by a member of the Senior English Class to herself, as one of the class exercises.

JOLLY TIME AT RAY WARD'S

On the evening of January 5, 1924, a crowd of young folks assembled at the hall near the home of Mr. and Mrs. Ray Ward of Fern Valley.

A most enjoyable evening was spent in dancing till about midnight when the hostess invited the dancers to her dining room where a most delicious luncheon was served, consisting of chicken sandwiches, olives, fruit salad and cider. Soon after luncheon the crowd departed declaring that they had had a wonderful evening.

Joseph took the prize for singing, but-----

The manager saw him and made him put it back!!!!!!

ENGLISH CLASSICS.

The English Classes are beginning the following Classics:-
Freshman-"The Lady of the Lake".
Sophomore-"The Idylls of the King".
Seniors and Juniors-"Julius Caesar"

WEDDING BELLS.

Miss Margaret Sheets a graduate of Phoenix High, and Mr. Harold Crowl of Griffin Creek were married Dec. 26, 1923.

Mrs. Crowl is teaching at the Griffin Creek School.

MASQUERADE BALL.

Alene Dayton, Marjorie Caster, and Frank Denzer of the High School attended a masquerade dance at Ray Ward's New Years Eve. Many beautiful and comical costumes were there. About midnight every one unmasked and went to a delightful chicken supper. After the supper each guest drew something from the fish pond and went back and danced till early hours of morning.

PARTY.

December 27, about thirteen of Mildred Hughes friends spent the evening with her. The evening was spent playing games, and eating candy, nuts, and apples. Delicious refreshments of sandwiches, cake and cocoa were served. The guest departed about eleven-thirty, all having had a good time.

Frank at a basket ball game-"That Arnold is going to be our best man next year".
Alene-"Oh! this is so sudden".

GRADE NEWS

3d and 4th Grades.

Mrs. Ferns:- "Describe a walrus."

3d Grader:- "Walrus is the name of a man who hunts rabbits and other animals."

SNOWFLAKES.

Once a little rain-drop thought he had been in the clouds long enough so he started to go down to the earth for he wanted to do some good.

He had to go through some cold air, but, instead of pulling himself together he spread out and froze into a long ice needle. So on it went until it met another ice needle; he asked him where he was going. "Down to the earth" said he so they went on together they met four more, then they had a new name "Snowflake."

Snowflake said "Now where can I do the most good?" I know where a poor little sick boy planted some flower seeds. Lets cover them and keep them warm. So they told all the other snowflakes that they saw, and they covered the seeds and kept them warm till spring, then melted and gave the seeds a drink. The seeds grew to be pretty flowers and made the sick boy happy.

-----N. nce Johnston.

As the 5th, 6th, 7th and 8th Grades are too busy with their exams they will be unable to fill up their allotted space this time.

Lives of basket ball men reminds
us
That they write their names in
gore,
And, departing, leave behind
them
Half their faces on the floor.

Hay-Neither. Hog raiser.-Voo Doo.

Game.

The Phoenix Ball teams played their first games with Jacksonville last Friday night.

The Phoenix teams kept the small score all the time and were hindered very much. The referee probably did the best he knew how but there were a few mistakes as to his decisions. On account of the rules being changed every year it makes it hard for the people to know them.

After the games the Phoenix teams were invited up to the school house where the Jacksonville students served delicious refreshments consisting of cocoa, sandwiches, pickles, salad and cake.

The Captains and Coaches of the different teams gave short talks about the game and acts and then the Phoenix teams departed.

On Saturday night at the Armory in Medford, Anna Pavlova and her Russe Ballet were enjoyed by some of the students of the Phoenix High. Anna Pavlova is the most skilled dancer and her representation of the "Serenade", was one of the most striking performances of the evening. The feature of the Dutch Sweethearts with their wooden shoes and native costumes was very comical.

Freshmen Class News

We are very glad to have Violet and Elsie Bolz at school again.

The Freshman Class has a new member Frances Parsons has started to school.

Have you noticed that Ethel is keeping up with her sister in style.

Meredith likes to sit with the girls.

Violet and Elsie Bolz are back to school showing off their Christmas jewelry.

Allen is very industrious....

Twile is afraid to look her Ancient History paper over. We all know why.

Standley and had a very delight-
ful time.

Miss Marjorie Caster spent three
days in Jacksonville visiting
friends during Christmas vacation.

BIG YELL RALLY for P.H.S.

Last evening about 7:30 a crowd
of loyal friends and students
of Phoenix High School assembled

around a big flaming bon-fire to give
vent to some school spirit.

Soon the yell leader took charge
of the assembly and all those
present certainly did show school
spirit by the way they yelled.
We know that they are all right
with us in our athletics.

After yelling all the school
yells and singing the songs, all
joined hands and serpentined up
and down the streets of the town
and up and down the Highway with
their thrilling "Rah, Rah, Phoenix
High!"

Later the crowd gathered about
the bon-fire a ain and feasted
on roasted weenies, buns and coffee.

We hope and expect to see this
crowd at the game at Central Point
Friday Night.

Seniors have the highest class
average this exam week. -94%

Juniors average is 88%.

Sophomores average is 87%.

Freshmen average is 86%

The highest individual average
of 99% was made by two of our
honored Seniors, namely, Jeannette
